

Estimated Checkpoint Times

Times listed are estimates only.
Weather, trail conditions and musher strategy will impact the actual times.

The John Beargrease Sled Dog Marathon | 300 Miles

Starts at Billy's Bar, Sunday, January 29, 10:00 a.m.

24 hours of total rest required for each team including mandatory 4 hours at Sawbill and Mineral Center checkpoints, plus differential (the difference of a mushers time out from their start placement. So, the first musher out has the longest differential (time to make up) and the last musher out of the chute has zero time to make up).
